## UX PROJECTS

### UX Designer

July 2022 - May 2023

CarrerFoundry Projects | Remote

- Applied user-centered design, mobile-first design, and responsive design to create case studies for a vocabulary flash card app and a water sports weather app.
- Conducted competitive analyses and user interviews to determine user needs and goals and create personas, journey maps, and sitemaps.
- Created wireframes and prototypes and used them to run multiple rounds of usability and preference testing.
- Applied UX design skills to design, code, test, and publish portfolio website.

## WORK EXPERIENCE

### Middle and High School Sports Coach

Sep 2021 - March 2023

Charles E. Smith Jewish Day School | Rockville, MD

- Coached volleyball, swim, and track and field teams of up to 50 students emphasizing sportsmanship, technique, safety, and responsibility.
- Coordinated with Athletic Directors, athletes, parents, and coaches to ensure everyone was informed of schedule, expectations, and travel information.

### Elementary Physical Education Teacher

Dec 2020 - June 2022

Charles E. Smith Jewish Day School | Rockville, MD

- Taught Pre-K through 5th grade classes of about 20 students about health, physical activity, and sports, in age appropriate and engaging lessons.
- Planned and oversaw Covid-19 compliant whole school field days for over 500 students and 100 faculty by making detailed schedules, equipment lists, and instructing station leaders.
- Communicated with administrators, guidance counselors, homeroom teachers, and parents about student behaviors to create optimal conditions for student success.
